Notes from Michelle

Parent conference week has given me the opportunity to visit with some of our wonderful alumni students. It is so enjoyable listening to their tales from the world of middle school. It is also quite satisfying to hear how well they feel they were prepared for the work of middle school. The largest complaint I hear is, “it’s too easy”. It is truly a fun part of my job to be able to visit with these young adults.

I’m sure everyone is tired of carpool updates, however, here I go again.... we have noticed that some of the students have started to enter and exit the cars on the left side of the car. Please make sure that there is space and the ability for your child to enter and exit on the right side (curb side) of the car.

I’m so excited to be back for a long stretch. As I have mentioned there have been several conferences that I was attending over the past few weeks, they are finally completed!!! I look forward to non-interrupted work weeks. However, these conferences have truly confirmed once again the passion I feel about what we are doing at Eagle Peak and how important focusing on the vision and mission of the school is. We have a truly marvelous educational community here.

Have a great weekend.

.....Annual Giving Campaign

A huge THANK YOU to everybody who has already donated to this year's Annual Giving Campaign. So far about 56% of our families have generously donated over \$40,000!! If you have not yet had the chance to donate, please check your mailbox for a pledge form, or stop by the office and pick one up. We need all families to help our school get through these though (should be "tough") financial times. Please consider making a donation.
