Peace, Passion, Purpose

Live so that when your children think of fairness, caring, and integrity, they think of you.

Without a sense of caring, there can be no sense of community.

Notes from Michelle

Every time we have moved into a new month this year it has caught me off guard. I cannot believe how quickly the year is passing by for all of us.

With November and time change we officially find ourselves firmly in the midst of fall with winter right over the horizon.

We have started to see a slight uptick in Covid cases. For the year, we have only had 10 cases on campus combined of adults and children, 6 of those in the last month. We have put the Covid/Illness protocol in this FF so that you can re-familiarize yourself with the protocols in case your child gets ill. This document has been on the website under "[COVID Update- More Information](#)" all school year. Also, please make sure that when you call your child in sick, if they are simply in need of a mental health day, that you are indicating that. Children called in sick with symptoms that are associated with Covid will need to follow the protocol. Also, if your child has been diagnosed with allergies and their symptoms are similar to Covid symptoms, please make sure we have a copy of that notice from their pediatrician.

Last week we talked about empathy. As we know empathy requires the ability to be connected to others and understand the needs of other as well as ourselves, as well as caring for the community. Remembering to stay home when we are ill is a concrete way of demonstrating this to our children. We are beginning to have opportunities to come back on campus together and enjoy some of the unique aspects of Eagle Peak which were missed in the past few years. This means we will have more opportunities to build back the strong, caring community our school has always enjoyed. It is such a privilege to be part of this community with all of you.

Have a fantastic weekend.
Michelle

Time to Change the Clocks

Time to change your clocks this weekend.

We all "Fall Back".

Also, time to change the batteries in the smoke detectors.

November is Native American Heritage Month

We will discuss activities to honor the past and present of Indigenous People as we move through the month. A few weeks ago we shared the Eagle Peak Montessori's Land Acknowledgement. An educational activity as a family may be to research the peoples who lived near where you now reside. This website can be a start, <https://native-land.ca/>.

News from PTLG

The next PTLG meetings are at 7 pm on Thursday, November 17th in person at the school and on Thursday December 8th remotely on Zoom.

Did you know that attending school meetings such as the monthly Parent Teacher Leadership Group, the Community Foundation of Eagle Peak or the Board meetings count as volunteer time? At Eagle Peak, parents are requested to volunteer 40 hours/year (20 hours for additional students). Participating in these meetings helps build a thriving school community in which parents are aware of what school leaders are working on to support our students in learning. At the monthly PTLG meetings, parents have an opportunity to ask questions, get to know each other and learn about opportunities to volunteer. We are planning parent education opportunities for upcoming meetings, such as Montessori approaches to learning and transition to high school.

Please keep track of your volunteer hours and stop by the office when you get a chance to record your hours in the binder that is kept on a shelf on the right. There is a page for each family to write down dates/times for volunteering. This information on volunteering is compiled and shared with the school district to help document the contribution of parents to support the school. The data on the number of hours that parents volunteer also helps when the school is applying for funding opportunities. So please do keep notes on when you volunteer and periodically put it into the binder in the office. Thank you everyone!

Feel free to contact coordinators Rachel Hallquist and Abe Doherty at ptlg@eaglepeakmontessori.org.

News from CCC

International Day is Coming Back!

We are very happy to announce that International Day is returning to Eagle Peak this December 20th! Many of our EPMS families have never experienced International Day in all its glory, but historically it has been a highlight of the year for students and parents. It's a special sensory experience where six classrooms are transformed into six nations from around the world and students get to "travel" with a passport to learn about these nations through hands-on activities, artifacts, music and more. This year we will be on-campus once again with vaccinated parent volunteers decorating classrooms and leading activities. We are trying to also bring back the International Food Court in some form since this is a very engaging sensory experience and an opportunity for more families to share something from their cultural background. If you're interested in volunteering for this event please [complete this form](#) as soon as possible. Planning begins this month!

Fingerprinting Process

If you have not been fingerprinted by MDUSD, you will need to be in order to volunteer on our campus and/or participate in field trips. Please go to the MDUSD.org website, Search for VOLUNTEER INSTRUCTIONS. You will find instructions for getting fingerprinted. You will need a current TB Test (bring that with you when getting fingerprinted).

News from the Auction Committee

We have an auction planning meeting coming up on November 16th at 7pm. Please email me at civers@gmail.com if you would like to join. Also, we are starting to collect donations for the auction, so if anyone has a business or service they would like to donate. Let me know, we would greatly appreciate it!

Volunteer Opportunities

WE ARE IN NEED OF MORE HELPING HANDS IN OUR SCHOOL'S PARKING LOT. WE HAVE A STOP SIGN THAT NEEDS HOLDING AND WOULD APPRECIATE VOLUNTEERS TO HELP CARS PARK AND BACKOUT SAFELY DURING DISMISSAL TIME TOO. PLEASE CONSIDER SIGNING UP TO TAKE JUST ONE SHIFT A WEEK. IT'S A QUICK AND EASY WAY TO EARN THOSE MUCH-NEEDED VOLUNTEER HOURS. MOST SHIFTS ONLY TAKE ABOUT 20 MINUTES OF YOUR TIME.

PARKING LOT PERK, EP COUNTS EVERY SHIFT WORKED IN THE PARKING LOT AS 30 MINUTES OF VOLUNTEER HOURS. IT'S A WIN-WIN AND A FUN WAY TO GET TO KNOW OUR EAGLE PEAK FAMILIES. PLEASE CONTACT JEN SLATTENGREN TO SIGN UP OR FOR MORE INFO.

Students Sent Home Sick

Please help us help you. We ask that you speak to your child about coming to the office for being ill. While we want anyone who is feeling ill to let us know, we want to also help the students be able to know when a stomach ache might just be a bit of homesickness instead. We are not medical professionals and as such must err on the side of caution. Every time a child comes to the office and says that they have any of the potential symptoms of covid, they must be picked up within 30 minutes and be tested for covid. Thank you for your cooperation.

Don't forget about Box Top\$ for Education!

Remember to gather your Box Tops for Education.

HERE'S HOW IT WORKS: Buy participating products and use the Box Tops mobile app to scan your store receipt within 14 days of purchase. The app identifies eligible products and automatically adds Box Tops to Eagle Peak's earnings online. Even if you're shopping online or doing grocery pickup, you can still submit your e-receipts and earn Box Tops. Your earnings may seem small, but they really do add up. The more people that participate, the bigger the impact we can make. Learn more about how Box Tops works at BTFE.com.

Waste Free Wednesdays

On Wednesdays we encourage students to bring little to no waste such as wrappers or anything that goes in to the trash bin. Instead we encourage you to bring reusable, recyclable and compostable containers. Participating in waste free Wednesday will ensure our school is a cleaner place.

DRESS CODE REMINDERS

General Guidelines

In Montessori classrooms, even in preprimary (ages 3-6), we call the activities in a classroom that students interact with "work" or "jobs". In order to create an environment that respects the classrooms as workspace, both students and teachers are asked to dress in a manner appropriate for a workplace. Clothing should be comfortable and allow students and teachers to work on both the floor and at desks without being too restrictive or too loose. The following are the expectations for attire at school:

- T-shirts, backpacks, or lunch boxes should not include violent themes, or depictions of television, movie, cartoon, or other licensed characters. Musical groups may be allowed, so long as they do

not contain violent or profane images or phrases. (Profane being defined as subject matter, which would be found in movies or songs with ratings over "G".)

- Clothing that promotes negative or offensive messages including those that are in opposition to the school's philosophy.
- Dress, accessories and jewelry which contain obscene, symbols, signs or slogans, and /or which slur or degrade on the basis of race, religion, ethnicity, gender, disability, sexual orientation, or gender identity and impose a threat of imminent violence or disruption to the orderly operation of the school shall not be worn.
- Dress that contains language or symbols supporting sex, drugs, alcohol, tobacco or weapons shall not be worn.
- Clothing should be comfortable, washable, and suitable for the weather conditions and school activities.
- Pants, shorts, and skirts must reach the mid-thigh of the wearer.
- Clothing should not allow for undergarments to be visible. (Ex: shoulder straps should be at least two fingers in width, shirts should not have openings on the side that extend past the armpit, shirts and tops should cover the waist, shirts should not be racer back or leave openings where undergarments show)
- Clothing that is very loose or long may cause children to trip, especially during games, dancing, and physical education.
- Headbands should not be more than 1 inch in height. (This is in regards to headbands that have cat ear shapes or unicorn horns on top.)
- Shoes should not cause a disruption in the classroom and also be comfortable and safe for sports, gardening, and walking excursions, no flip flops(for elementary children), no 'light up" shoes, "heelies" or zories.
