CALL TO ORDER – 6:38 PM (Directors Brennan, Buckner, Carson, Chionis, Desautels, Dietrich, Goodall, Hammons, Hernandez, and Womble)

- 1. MISSION STATEMENT-** *The mission of the charter component of EPMS is to provide students with the opportunity to acquire an education based on an “authentic” and accredited curriculum founded on the educational philosophy of Dr. Maria Montessori. We intend to promote an educational atmosphere that encourages socioeconomic and cultural diversity by providing all students with the opportunity to obtain a quality public education. Our aim is to equip each of our students with the skills, knowledge, and values to participate meaningfully in the pluralistic world of the 21st century.*

- 2. LAND ACKNOWLEDGEMENT-** *Eagle Peak Montessori School acknowledges that we currently occupy land which is Ohlone land. The Ohlone people are still here and are still active. The Ohlone people are made of several tribes. The land we are on specifically is that of The Confederated Villages of Lisjan. As they say, the land did not belong to them, they created reciprocal relationships with the plants and animals they shared this space with.*

These words are shared from the Boston Public Schools Land Acknowledgement:

“We acknowledge the sacred land where we work, live, learn, teach, and build community, has been a place where people have lived for over tens of thousands of years. We recognize that invaders have repeatedly violated the sovereignty, territory, and water of the original inhabitants of the land for over 400 years. We extend our respect to the citizens of these Nations who live here today, and their ancestors and all indigenous people. We also affirm that this acknowledgment is insufficient. It does not undo the harm that has been done and continues to be perpetuated against indigenous people, their land and water. We also acknowledge they are still here.”
